

Who are we?

The Jasper Watercolour Retreat Society is a group of watercolour artists who enjoy the pursuit of painting outdoors.

We invite you to join us in Jasper for one, or more, of our annual paint out retreats held the last week of May, and the last weeks of September.

Our Studio and Accommodations are located at the beautiful Tekarra Lodge, a cabin resort on the banks of the Athabasca River in Jasper National Park in Alberta, Canada. They offer preferred rates to the registrants of our retreats and make studio space available during that time.

Consider joining us for a fun, fulfilling experience of “plein air” painting. The retreat is a time to allow your artistic self the freedom to paint in an inspiring environment, and relax with other supportive artists.
